- poetry workshop with Les Wicks -  
6 hours plus substantial prior editorial work in an extraordinary locale.

#### WORKSHOP

Venue: Community Hall, Dangar Island

This template has been a complete charge for everyone. One of the country’s leading poetry facilitators will be giving a workshop in Sydney.

This project will consist of three components.

Everyone gets in advance a strategy sheet on editing their work. Then, participants will send four poems (maximum 30 lines each) to [leswicks@hotmail.com](mailto:leswicks@hotmail.com) 14 days prior to the workshop. The poems with commentary will be distributed to the participants four days prior to their workshop. Participants should bring a copy of the entire commentary document to the workshop.

On the day of the workshop we will work intensively through each participant’s poems building on prior suggestions and experiencing a dynamic interplay of ideas/insights.

Should they so wish, participants will have a chance to have a piece published in the e-mag *Australian Poetry Collaboration*, which is widely read and archived by the National Library’s Pandora.

**It is strictly limited to only 8 attendees.**
